Promoting Sustainability in the curriculum

Primary School Curriculum

Key questions:

- How can we look after the world around us?
- How can our choices make a difference to the environment?

How do we do this?

- Pitch for My Plight
- Fair trade chocolate project
- Young Geographers club and competition
- Eco day on 22 April 2024
- Studying Oman's environment
- Residential trips for Year 4 upwards

Promoting Sustainability in the curriculum

Senior School Curriculum

- Sustainability Student Impact Team
- Sustainability studied in all areas of the curriculum
- Studies linked to UN Sustainable Development Goal Projects

For example:

- Sustainable tourism studies in Geography
- KS3 Sustainable City project linked to Sustainable City Yiti
- Clean water project in Year 7
- Zero hunger project in Year 8
- Affordable energy project in Year 9
- Oman Sustainability Fair: BSM won Best Innovative Award
- Sustainability & Environmental Day (Bottle top mural)
- Duke of Edinburgh's International Award
