Hello, my name is Ali. I am ten years old. I am in grade 5. Let me tell you about what I like to do after coming back from school. I like having a quick shower. It makes me fresh and active. I like washing the car with my dad. He says that I am a good boy because I always help him. I don't like playing football because it makes me tired. I like to sit with my family and have dinner all together. I like reading short stories after dinner. I don't like using a computer at night, so I go to bed early.
