Dear Manal,

Hi. How are you? I am sorry to hear about your health problem. I am writing to give you some advice to help you get better.

Eating healthy food is very important. You should eat fruit and vegetables every day. They are full of vitamins, so you should eat five servings of fruit per day. Also, protein is good for your body because it gives you energy. For your age, you need calcium which helps keep your bones strong. You can find calcium in milk, cheese and yoghurt. I always drink a cup of milk before going to bed. The most important thing is to drink a lot of water.

I hope you get well soon.

Bye for now,
Sara

Dear Vicky,

I got your e-mail last week. I really like the pictures of your holiday. I am writing to tell you about my holiday.

Last month, I traveled to Tanzania with my family. We visited Rose and her family. We stayed in Rose's house. We all went to see Mount Kilimanjaro. It's the highest mountain in Africa. It was hot at the bottom of the mountain, but the weather was cold on the top. In the weekend, we went on a safari journey and we saw elephants, giraffes and lions. It was very exciting. I had a great time in Tanzania and I wish I can visit it again.

I will send you some pictures I took.

Love,

Maha

Yesterday I tried to eat healthy food. In the morning, I ate an apple before school. At school, I ate an egg sandwich which my mother made for me. I also ate a piece of cake. For lunch after school, I had salad with fish. I ate only six spoons of rice. In the afternoon, I ate some dates with my father, but I didn't drink coffee because I don't like it. For dinner, I had vegetable soup and salad. Before I went to bed, I had a cup of milk to make my bones strong. I also had about 8 cups of water that day. I felt active and happy at the end of the day and I want to complete my healthy diet because I like it.

I asked my science teacher to help me take care of it. She put it in a small box. She gave it food and water. After three weeks it looked fine and we took it to the school yard and my teacher helped it fly. It flew away and we waved goodbye. I was very happy to help the bird.

My summer holiday was amazing. In July I went to Salalah with my family. We went by car, so when we arrived, we were very tired and we went to the hotel to sleep. We stayed in a 5-star hotel for ten days. We visited many places there. My favourite place was Ittin. We went there almost every day. In the morning, we ate Salalah pies from Ittin. For lunch, we ordered rice and meat and found place to sit and eat in the mountains. Sometimes, mom cooked for us. When it got dark, we went to Ittin square where we played many games and ate delicious food from different restaurants. My sister took wonderful photos for the whole trip.
