John's family woke up early on Saturday morning, excited for their camping trip. They packed up their things in the car and drove to the camp, which was in a forest near a lake. When they arrived there, they set up their tent. Then, they went for a hike around the lake. They saw all kinds of animals, such as deers, squirrels, and birds. After their hike, they went back to their camp and started a fire. They cooked hotdogs and marshmallows, and they told stories. The next day, they went swimming in the lake. On Monday, it was time to go home. They packed up their tent and said goodbye to all people at the camp. They arrived in the evening, and they were all tired, but they had a wonderful time on their family camping trip.
