LISTENING 2

*You are going to hear Zaid talking about his **daily activities**.*
Listen and complete the table with tick **(√)** for the activities Zaid likes and **(X)** for the activities he doesn't like.
You will hear the text twice.

My name is Zaid. I will tell you about some of my daily activities. I like to go to the sea with my friends. I like swimming very much. My mother wants me to learn drawing, but I am not good at drawing. I don’t like drawing.

I like to do some exercises to become fit and healthy. I do some activities at home. For example, I practise standing on one foot and hop for about 5 minutes. I do not like playing football because it makes me feel tired. Also, I like running. Running makes me more active.

In the evening I take a break and drink a cup of coffee. At that time, I like reading my favourite book about how to be fit.
