Listening 2

You are going to hear some information about **John's summer holiday**.
*Listen and for each item, write a short answer (**not more than FOUR WORDS**).*

Hi! My name is John. I am an engineer. Last year, I decided to spend my summer holiday with my wife Maria on England east coast. We decided to camp near the coast. It was in July and after two rainy days, the sun was shining, and it was good weather for swimming. I decided to dive in the ocean. It was the most horrible situation I saw in my life. I was diving on the ocean when suddenly I had a shark attack. The shark was attacking my legs, and I was trying to escape to save my life. My wife Maria ran asking for help. Two fishermen on a boat came very fast to help. I was able to get into boat and save my life. I was bleeding and I lost my leg. They took me to the hospital. We reached there after a long journey by car. I had an operation, and I got a new iron leg.
