Nasser worked as a doctor in a clinic. His clinic was in Muscat, the capital city of Oman. Nasser enjoyed helping people, and his job was very important to him. He worked hard every day to take care of his patients.

Nasser lived in Barka. He chose to live nearby so he could help his patients quickly if there was an emergency.

Becoming a doctor was not easy for Nasser. He studied in medical school for six years. It was a long and difficult journey, but Nasser was determined to succeed. He worked very hard to finish his studies. In 2019, he finally graduated and became a doctor.

After a long day at the clinic, Nasser was often tired. However, he was happy when his younger brother visited him after work. They sat together, talked, and sometimes enjoyed a cup of tea. These visits helped Nasser relax and feel less stressed.
